Hot Air Balloon & Falconry Tour

Experience a wonderful, tranquil balloon ride with only the occasional blast of the gas burner to disturb the peace. Our balloon rides

take place over the beautiful red desert sands near Fossil Rock between Dubai and Hatta. The Best time for the flights is at sunrise.

Feel the cool dawn air as you float only a few meters above the red dunes, then be awestruck as the mesmerizing landscape unfolds below you. View the giant dunes, the moon-like landscape of the rugged Hajj mountains to the east, and the "21st century" skyline of Dubai to the west as you rise high into the immense blue of the desert sky.

Whether you are on holiday in Dubai or a local, the views on offer from our hot air balloon rides will take you to new levels of appreciation and awe of the desert and its unique landscape.

The actual flight is approximately one hour.

Tour schedule is early morning.

Rising early for a sunrise flight is a minor inconvenience when compared to the breathtaking views and incredible desert scapes. It is also the best time for flying as the cool and serene ambience adds to the experience.

Pick-up times from hotels and meeting points will be earlier depending on the hotel you are staying in. Please allow about four (4) hours for the whole tour.

Child age allowed is from 6 yrs to 12 yrs old

Itinerary/Program:

- Hotel transfers from hotels within the urban areas of Dubai
- Approx. one hour balloon flight
- Cold drinks (water, fruit juices) after the flight
