Kart Racing (Kartdrome) – Dubai Autodrome

The kartdrome offers the best way to experience the thrills of kart racing in either an outdoor or indoor venue. From a competitive family day to an adventurous activity with friends, kart racing is the perfect opportunity to get the adrenalin rushing.

Laserdrome

Laser tag is best described as paintballing without the paint and mess. Players are sorted into two teams battling against one another with laser guns. The area is set in a medieval castle-type environment of 400 square meters. Huge day-glow dungeon style decoration with lighting and artificial fog is placed, aimed at confusing visions and making the objective of tagging opponents a challenge.

USD. 70.00 for kartdrome for 15 minutes

USD. 40.00 for laserdrome
