Ski Dubai

Explore Ski Dubai, the first indoor ski resort in the Middle East. In contrast to the summery climate of Dubai, enjoy skiing, snowboarding, tobogganing and playing around in the snowy mountains at the ski resort in Mall of the Emirates.

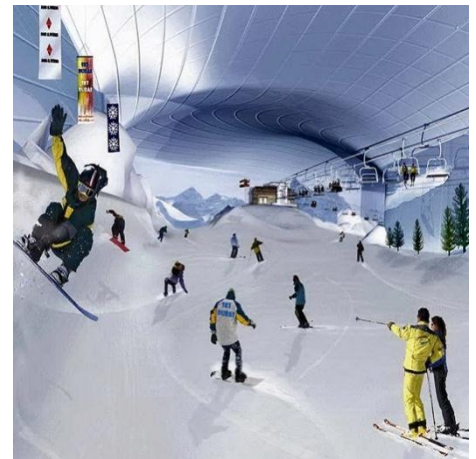

From experiencing the scenic views from the chairlift and tumbling down snow slides to relaxing over a hot beverage in the cold – there is something to do for everyone.

There are various levels of skiing and snowboarding, from beginners to snow sport enthusiasts, so everyone will have the opportunity to explore fun in this all year round ski park.
